

OFFICE OF THE GOVERNOR

June 10, 2014

Oakland Technical High School

Congratulations to Oakland Technical High School on the occasion of its 100th anniversary.

The school's commitment to training students academically and technically while preparing them to become engaged citizens is commendable.

On behalf of the state of California, I send my best wishes to the faculty, staff, students and community, both past and present, as you reflect on a century of accomplishments and memories.

Sincerely,

EDMUND G. BROWN JR.
